Triple Peaks

St Luke's has been given the opportunity to play a significant role in the Triple Peaks race event on Saturday March 17th.

Triple Peaks has become a major event in the Havelock North calendar, attracting hundreds of people to the Village.

St Luke's has been asked to arrange and look after 'The Lounge' – a venue at the domain offering hospitality to families and others. We will need people to assist with this, but we are also looking for some old couches / chairs that are comfortable. Please talk to Brian if you can help.
